

Academic Monitoring Committee

Academic Monitoring Committee comprises of all HODs and Principal will be heading the committee. The Academic committee meets regularly once in a week and discuss the academic progress and activities of faculty and students. The committee prepares the college level calendar of events in tune with VTU calendar and incorporates the schedules of the internal assessment dates, workshops/seminars/quiz/sports/conferences/lab internals and other activities. All the departments maintain different files related to NBA, NAAC, NIRF and ARIIA. After each event the activity in-charge faculty prepares the complete report and it will be filed in the respective files.

The academic committee conducts the academic audit of the files twice in a semester and the report will be submitted to Principal. The academic committee prepares the schedule for the audit of all the files maintained in the departments, administrative office, library, sports, placement and maintenance department. Under academic committee PAAC is a committee which maintains the progress of slow learners and initiatives taken by the departments and faculty to improve the performance of slow learners. The departments prepare the performance analysis report of the students after each internal assessment test. The students who scored less than 50% of marks are counselled and additional revision classes are arranged to the slow learners so as to enhance their learning skills.
