Department of ISE Report on Alumni feedback Academic Year 2019-2020

1. Syllabus of the program (BE/MBA/MCA/M.Tech) is relevant to the course

From the analysis report it was observed that, 30% of the students find the program is very good & relevant to the course, 10% of them feel the program to be good, 60% of them find the program excellent.

2. Content of the syllabus is meeting the placement requirements

20% of students opined that syllabus is very good. 5% students find it to be average in meeting their placement requirement, wherein 75% students conveyed the syllabus is excellent in meeting placement criteria.

3. Content of the syllabus is meeting the duration specified.

20% of the students have rated that the time allotted to complete the syllabus is very good, 10% feel it is good, and 70% said it is excellent.

4. Syllabus helped me to acquire knowledge and skills required for real-time problem solving

10% of students have an opinion that content of syllabus is easy & very good to understand and helped to acquire knowledge and skills for real-world, whereas 20% feel it is good, 70% of students finds it excellent.

5. Content of the syllabus has enabled me to be a lifelong learner

13% of students have observed that the reference material is good enough & as specified in the syllabus, 22% find it very good, & 75% find the reference material to be excellent.

6. Content of the syllabus covers the current trends.

Majority of students ie,80% of students have rated excellent & find that the content of the syllabus covers the current trends, 10% said it is very good,10% find it to be good.

Department of ECE Report on Alumni's feedback Academic Year 2016-2017

1. Syllabus of the program (BE/MBA/MCA/M.Tech) is relevant to the course

From the analysis report it was observed that, 10% of the students find the program is very good & relevant to the course, 10% of them feel the program to be good, 80% of them find the program excellent.

2. Content of the syllabus is meeting the placement requirements

20% of students opined that syllabus is very good. 5% students find it to be average in meeting their placement requirement, wherein 75% students conveyed the syllabus is excellent in meeting placement criteria.

3. Content of the syllabus is meeting the duration specified.

10% of the students have rated that the time allotted to complete the syllabus is very good, 20% feel it is good, and 70% said it is excellent.

4. Syllabus helped me to acquire knowledge and skills required for real-time problem solving

10% of students have an opinion that content of syllabus is easy & very good to understand and helped to acquire knowledge and skills for real-world, whereas 20% feel it is good, 70% of students finds it excellent.

5. Content of the syllabus has enabled me to be a lifelong learner

5% of students have observed that the reference material is good enough & as specified in the syllabus, 5% find it very good, & 90% find the reference material to be excellent.

6. Content of the syllabus covers the current trends.

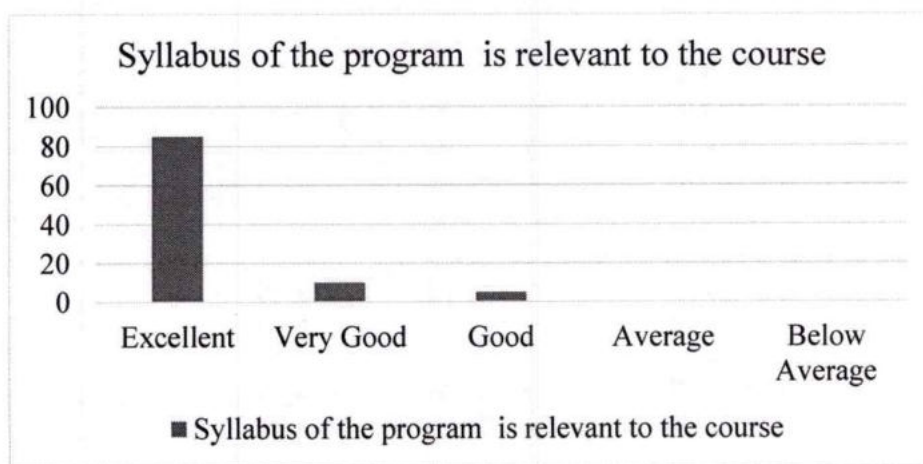

Majority of students i.e., 85% of students have rated excellent & find that the content of the syllabus covers the current trends, 10% said it is very good, 5% find it to be good.

Alumni Feedback Analysis Batch:2018

Schema:2018-20

1. Syllabus of the program is relevant to the course

From the analysis report it was observed that,75% of alumni expressed program is relevant to the course ,14% expressed very good, 8% said its good and 3% is given average.

2. Content of the syllabus in meeting the placement requirements

6% of the alumni have expressed that the syllabus is good & meets their placement requirements, 11% of alumni opinion that syllabus is very good and 5% is given average. wherein 78% alumni conveyed the syllabus is excellent in meeting placement criteria.

3. Content of the syllabus is meeting the duration specified.

17% of the alumni have rated that the time allotted to complete the syllabus is very good. 11% faculty feel it is good, 3% finds it average, 69% said it is excellent.

4. Content of the syllabus in easy to understand

11% of alumni have an opinion that content of syllabus is easy & very good to understand and 3% finds it average. whereas 11% feel it is very good,78% of alumni finds it excellent

5. Reference material is easily available and as specified in the syllabus

14% of alumni have observed that the reference material is good enough & as specified in the syllabus and 6% finds it average.,8% find it very good, & 72% find the reference material to be excellent.

6. Content of the syllabus covers the current trends.

Majority of alumni ie,67% of alumni have rated excellent & find that the content of the syllabus covers the current trends, 19% said it is very good,11% find it to be good and 3%finds it average.

Report on Alumni feedback

Academic Year 2020-2021

1. Syllabus of the program is relevant to the course

From the analysis report it was observed that, 18% of them feel the program to be Excellent, 43% of them find the program to be very good, 31% of them find the program to be good, 8% of them find the program to be average.

2. Content of the syllabus in meeting the placement requirements

From the analysis report it was observed that, 10% of them find the syllabus to be excellent, 12% of them find the syllabus to be very good, 51% of them find the syllabus to be good, 10% of them find the syllabus to be average and 18% of them find the syllabus to be below average in meeting the placement requirements.

3. Content of the syllabus is meeting the duration specified.

From the analysis report it was observed that, 51% of them find the syllabus to be very good, 39% of them find the syllabus to be good, 10% of them find the syllabus to be average in meeting the duration specified.

4. Content of the syllabus in easy to understand

From the analysis report it was observed that, 8% of them find the syllabus to be excellent, 29% of them find the syllabus to be very good, 53% of them find the syllabus to be good, 10% of them find the syllabus to be average in easy to understand.

5. Reference material is easily available and as specified in the syllabus

From the analysis report it was observed that, 29% of them find the syllabus to be very good, 49% of them find the syllabus to be good, 22% of them find the syllabus to be average in material availability as specific to the syllabus.

6. Content of the syllabus covers the current trends.

From the analysis report it was observed that, 10% of them find the syllabus to be excellent, 29% of them find the syllabus to be very good, 53% of them find the syllabus to be good, and 8% of them find the syllabus to be below average in covering the current trends.

Action Taken Report 2016-17

SL. No.	Action Points Discussed	Action Taken	Status
1.	To arrange Workshop ,Industrial Visits, Guest Lectures, etc	Industrial Visit to Solar power plant , Kolar on 21 st Oct 2016	Program successfully completed
2		Industrial visit to KAVIKA, 7 th April 2017	Program successfully completed
3		Workshop on ROBOTICS on 22 nd Apr 2017	Program successfully completed
4		Workshop on PLC & SCADA Automation tools	Program successfully completed
5		Skill Development program for Engg Graduates by PSTI	Program successfully completed

Action Taken Report 2017-18

SL. No.	Action Points Discussed	Action Taken	Status
1.	To arrange Workshop ,Industrial Visits, Guest Lectures, etc	Industrial visit organized to “Diesel Loco Shed, South-West, Railway, K R Puram” on 13-10-17	Program successfully completed
2.		Industrial visit to Nelamangala Power Station on 8-11-2017	Program successfully completed
3.		Industrial visit to Boruka power plant, Sattigala, Chamarajanagara Dist on 07-03-18	Program successfully completed
4.		Industrial visit to KAVIKA, Mysore road , Bengaluru on 12-04-18	Program successfully completed
5.		Workshop for students is organized on “PLC and SCADA Automation Tools”	Program successfully completed
6.		Workshop on ROBOTICS on 22 nd Apr 2017	Program successfully completed
7.		Workshop on Data converter using 8051	Program successfully completed
8.		Guest Lecture by Dr.D P Kothari, on “Energy and environment problem and their probable solution for sustainable development.	Program successfully completed

Action Taken Report 2018-19

SL. No.	Action Points Discussed	Action Taken	Status
1.	To arrange Workshop, Industrial Visits, Guest Lectures, etc	Industrial visit to Supa Hydro electric Power Station on 27-09-2018	Program successfully completed
2.		Industrial visit to Bhorka Power Plant Sattigala on 22-10-2018	Program successfully completed
3.		Workshop on "Arduino" By Jyoti embedded systems	Program successfully completed
4.		One day workshop on "Electrical Engg Fundamentals" on 23 rd Apr 2018	Program successfully completed
5.		Workshop on Circuit Prototyping by Indian tech Keys	Program successfully completed
6.		Workshop on Electrical System Design by ENGCS	Program successfully completed
7.		Guest Lecture by Meera Das Scientist F, LRDE, DRDO "Applications of Power Electronics in Radar"	Program successfully completed

Action Taken Report 2019-20

SL. No.	Action Points Discussed	Action Taken	Status
1.	To arrange Workshop ,Industrial Visits, Guest Lectures, etc	Industrial visit to Varahi Power Plant, Hosangandi, Udupi District on 14-09-2019	Program successfully completed
2.		Industrial visit to Bhoruka Power Plant, Hemmige village, Mysore Dist, on 02-11-2019	Program successfully completed
3.		Workshop on Embedded systems and Robotics	Program successfully completed
4.		Workshop on PLC and SCADA	Program successfully completed
5.		Workshop on JAVA and SELENIUM AUTOMATION	Program successfully completed
6.		Seminar on Innovation using IOT and Embedded systems	Program successfully completed
