

CAMBRIDGE INSTITUTE OF TECHNOLOGY

K R Puram, Bangalore - 560036

Cambrian House Of Student Start-ups, Entrepreneurship, and Innovation

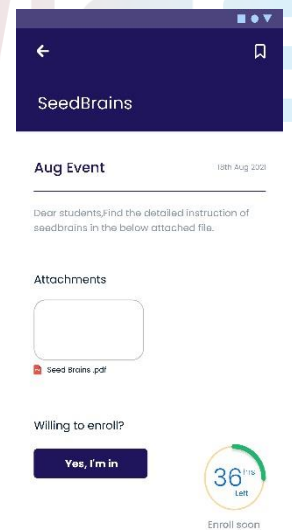

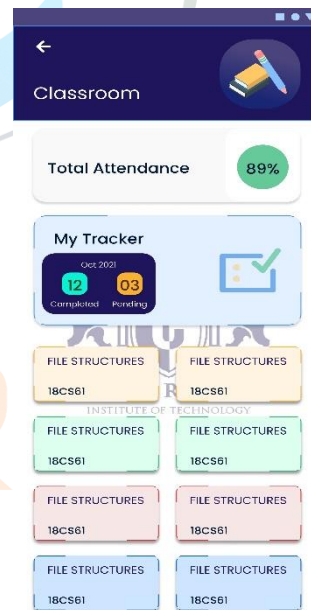

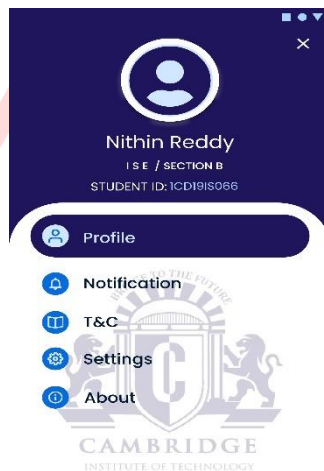

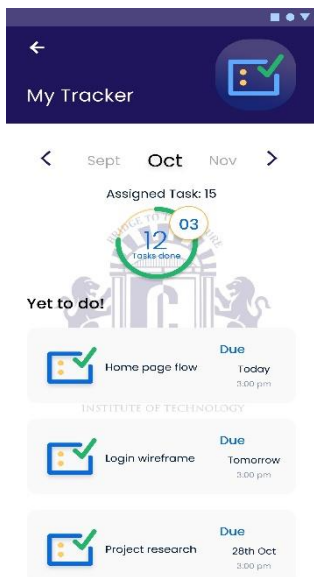

The main goal behind our proposed project is to build a super app for educational institutes where all the stakeholders like Management, Staff, Parents and Students are involved in data sharing and keeping track of the student academic details, Transportation details, Fee details, Achievements, Study Materials and Build a social network among students, Alumni and Industry experts for professional purposes like Start-ups, Placements to build and showcase their skills and also the counselling details can be maintained digitally, which becomes easier for recruiters.
