## Department of Electrical and Electronics Engineering

### PLACEMENT DETAILS

Department of Electrical and Electronics Engineering, takes the pride in helping our students bridge the gap between academics and the professional world. The robust placement program is designed to connect students with top-tier companies, ensuring that they step into their careers with confidence and the right skills. We host regular workshops on soft skills, technical skills, and industry-specific knowledge, ensuring that students are ready for the job market. We believe in hands-on experience, so we connect students with internships and live projects that help them apply classroom knowledge to real-world scenarios. With strong partnerships with leading national and international companies, we provide students with access to a wide range of job opportunities across various industries.
