Mentoring Session with 3<sup>rd</sup> Sem CHOSS Students -7

**Date:** 27<sup>th</sup> Nov 2024 & 06th December 2024

**Time:** 12:30 PM to 01:30 PM & 1:30 PM to 5:30 PM

**Venue:** Virtual Meeting & CHOSS Space

### Attendees

1. **Mr. Srinivas Jamkhandi** - Advisor, Innovation, CIT
2. **Dr. Varalatchoumy M.** - Head, CHOSS
3. **Mr. Arun Singh** - Operations Manager, CHOSS
4. **3rd Semester B.E. CHOSS Students**

### Report

1. **Team Presentations**
  - Student teams, each consisting of four members, showcased their innovative ideas and project concepts.
  - A total of **six teams** presented their ideas during this session, following the presentations by **seven teams** on 27th November 2024.
2. **Expert Feedback**
  - **Mr. Srinivas Jamkhandi** provided insightful feedback to the teams on their ideas.
  - He emphasized the importance of conducting a **Root Cause Analysis (RCA)** to identify underlying problems and improve the clarity of their problem statements.
3. **Interactive Session**
  - The event featured engaging discussions between the students and the advisor, fostering a deeper understanding of problem-solving methodologies and project refinement.

### Action Items

1. **Root Cause Analysis:**
  - All teams are tasked with conducting RCA for their respective projects and revisiting their problem statements to enhance their proposals.
2. **Follow-up Presentations:**
  - Teams will incorporate the feedback and refine their ideas for future review sessions.

### Conclusion

The idea presentation session on 6th December 2024 marked a critical step in nurturing the innovative potential of CHOSS students. Guided by the expert feedback from **Mr. Srinivas Jamkhandi**, the students gained valuable insights to advance their projects. The interactive and constructive environment of the event fostered a spirit of innovation and collaboration, laying a strong foundation for impactful project development.
