
Mentoring Session with CCCIR-6

Date: 04th September 2024

Time: 10:00 AM to 1:30 PM

Venue: CHOSS Space

Attendees

1. **Mr. Srinivas Jamkhandi** - Advisor, Innovation, CIT
2. **Dr. Varalatchoumy M.** - Head, CHOSS
3. **Bed Sores Team**

Report

1. **Presentation by the Bed Sores Team**
 - The team presented their detailed proposal documents, including design concepts and implementation strategies.
 - **Mr. Srinivas Jamkhandi** provided valuable feedback, highlighting areas for improvement and offering actionable suggestions to enhance the proposal's impact and feasibility.
2. **Invitation to Engineer's Day Celebration**
 - Mr. Srinivas Jamkhandi was formally invited as the **Chief Guest** for Engineer's Day celebrations at CIT.
 - He graciously accepted the invitation and later addressed the students, sharing his insights and experiences.
3. **Engineer's Day Celebration**
 - As the Chief Guest, Mr. Srinivas Jamkhandi delivered an inspiring talk on the role of engineers in society.
 - He emphasized the importance of innovative thinking and problem-solving, encouraging students to adopt creative approaches in their engineering journeys.

Action Items

1. **Proposal Modifications:**
 - The Bed Sores Team will incorporate the suggested improvements into their proposal and resubmit it for review.
2. **Future Engagements:**
 - Further mentorship sessions with Mr. Srinivas Jamkhandi are planned to ensure continued support for the team's project development.

Conclusion

The event provided an excellent opportunity for the Bed Sores Team to receive expert feedback on their project and for students to engage with a visionary leader on Engineer's Day. Mr. Srinivas Jamkhandi's guidance and encouragement have inspired the participants to approach engineering challenges with a fresh perspective and dedication.
