Department of Electronics & Communication Engineering

DEPARTMENT ACHIEVEMENTS

STUDENTS ACHIEVEMENTS

The ECE Department takes immense pride in the outstanding achievements of its students in academics, research, innovation, and extracurricular activities. Our students consistently excel in various technical competitions, publish cutting-edge research, and secure prestigious placements and higher education opportunities. Their dedication, technical expertise, and leadership qualities reflect the department's commitment to excellence and innovation.

Here are some of the remarkable accomplishments that showcase their success.

Keerthi Gowda H N, Department of Electronics and Communication Cambridge Institute of Technology, Bengaluru. Representing Cambridge Institute of Technology, our team participated in the International Startup Foundation's Junicorn Global Startup Showcase held at Texas State University, Austin, USA, presenting our innovative project AUDIBLEYES to a global audience.
