Date:	***Time:***	***Venue:***	***Event:***
1 March, 2025	9:30AM	SIC Lab, 4th Floor, Sir M V Block, CIT	Workshop

Event at a Glance:

Department of Information Science and Engineering at Cambridge Institute of Technology organized One day workshop on Introduction to DevOps on 1st of March 2025. The workshop was featured with sessions to introduce DevOps terminology, to understand the version control tools Git and Mercurial and to gain hands-on experience in CI, CT and CD.

Speakers:

Mr. Abishek S

Mr. Abhishek S is a seasoned DevOps Lead at EKE Electronics over an experience of 10 years. He is a distinguished Alumini of Dept of ISE and serving as proprietor at Abhi Infotech

Event Report:

Department of Information Science and Engineering at Cambridge Institute of Technology organized One day workshop on Introduction to DevOps on 1st of March 2025 for 6th semester students of ISE and CSE. The Hands-on sessions made the participants to explore GitBash, GitHub and also to learn configuration management using Ansible and apply it in real-world scenarios. The students gained knowledge through hands-on experience on the various tools like Maven and Gradle, Jenkins.

No. of participants:

35

Outcome of the event:

- Utilize cloud-based DevOps tools (e.g., Azure DevOps) for complete DevOps pipeline management.

- Implement configuration management using Ansible to automate server tasks.
